THE BLUE BOOK

Presented as an aid to the new men
and as a common reference book.

Editor-in-Chief, (1927-28), E. L. Bacon, Jr., '27; Business Manager, G. C. Gordon, Jr. '29.

DEDICATION

"Long as the arching skies above thee
spread,
As on thy groves the dews of heaven
are shed,
With currents widening still from year
to year,
And deepening channels, calm, un-
troubled, clear,
Flow the twin streamlets from Thy
sacred hill—
Pieria's fount and Siloam's shaded rill!"

From "The School-Boy", by Oliver Wendell Holmes, Class of 1825. (Read at the Centennial Celebration, 1878, of the foundation of the Academy.)

OLIVER WENDELL HOLMES

This edition of *The Blue Book* is dedicated to the memory of the first and most distinguished of Phillips Academy's poets.

TO THE BOYS

Phillips Academy welcomes you to a school as old as the Nation it serves and unsurpassed in its history and the wealth of its traditions. The last act of The Great and General Court, before that distinguished body was merged in the State government, was that which incorporated the school and gave it the rare distinction of being the first incorporated institution of its kind in the land. Because of his personal friendship with the founder and his belief in its ideals, President Washington became one of its first patrons and sent to it from far away Virginia seven of his nephews and grand-nephews. Later it was visited by him and General Lafayette in person. From those early days down to the present time Phillips Academy has held true to the broadly American ideals of its founders, welcoming to its opportunities and privileges boys from every quarter of the United States and from foreign lands, rich and poor alike, and demanding only that they prove themselves worthy of their rich heritage.

The fame which Phillips Academy so justly enjoys today has been made possible and has been constantly enhanced by those who, as pupils, teachers, administrators, and benefactors, have served it with unselfish devotion. It is now your privilege not only to enjoy what has been made possible for you by the labors and sacrifices of those who have gone before but to add to the lustre and increase the renown of an institution that demands of you that you shall give it your best by devotion to the tasks assigned you, by cheerful obedience to such regulations as are deemed necessary for the common welfare, by living clean and playing fair, and by striving to uphold those ideals of conduct and character that have meant so much to thousands of old Phillips boys who now hand them on to you.

Alfred E. Stearns

THE SESQUICENTENNIAL

The one hundred and fiftieth anniversary of the founding of the Academy will be observed this May. The central committee in charge is composed of the President of the Board

of Trustees, the Principal, Professor Charles H. Forbes, and Dr. Claude M. Fuess. It was during the War of the Revolution that the Constitution and Deeds of Trust were signed by the founders, Hon. Samuel Phillips and Dr. John Phillips, on April 21, 1778.

INQUIRY RECEPTION

The first gathering of the year is the annual reception held by the Society of Inquiry for all new men the first Sunday night after the opening of school. Speeches are made by heads of the different campus activities, publications, music, etc. Not only do the new men require a firmer knowledge of all the extra-curriculum pursuits, but they also receive the opportunity of meeting and talking with the school leaders. Refreshments are served.

SECRET SOCIETIES

There are eight secret soceties in the Academy, listed here in alphabetical order:

A U V
A G C
E D P
F L D

K O A
P A E
P B X
P L S

The term "hold-off" means that during the first six weeks of school, a man who has such an agreement with one society shall do nothing definite with any other for a period of two weeks. Thereafter the "hold-off" prohibits a man from having any relations at all with any society other than the one with which he has the agreement for two weeks. At the end of two weeks, the man is free to accept any pledge or "hold-off".

The "closed" houses are closed to all except members of the society and people over preparatory school age. They are: A G C, A U V, and K O A. The "open" houses, E D P, F L D, P A E, P B X, and P L S, are open to all.

COMBINED MUSICAL CLUBS

Glee Club, Choir, Orchestra, Mandolin Club

Under the heading "Combined Musical Clubs" are included the Glee Club, Choir, Orchestra, and Mandolin Club. A particular impetus to the clubs is the annual concert with Exeter, which takes

place about the end of the Winter term. Trips are also made to Bradford Academy and Rogers Hall.

The Glee Club and Choir are under the direction of Dr. Pfatteicher. Individual tryouts are held early in the Fall term. Rehearsals are held twice a week, the first and second tenors rehearsing on Monday evenings, the first and second basses on Thursday evenings, and the full choir on Friday evenings, all at 7 o'clock. Members of the choir are allowed one chapel cut a week or one athletic cut a week, or they may allow the choir to count as one hour on their schedule, or may receive 50 cents a week as compensation. The Glee Club is composed of members of the Choir.

The Orchestra is also directed by Dr. Pfatteicher. It is made up of all the available orchestral instruments. Rehearsals are held every Wednesday evening.

The Mandolin Club is directed by Mr. Handley. It consists of about thirty pieces and rehearses Monday and Thursday evenings in the Archaeology building. Tryouts are held immediately after the opening of the school year.

The student officers consist of a Pre-

sident, a Secretary, and a Treasurer. Mr. Guy H. Eaton is Faculty Treasurer and adviser.

Jazz Band

An organization that has recently become an important feature of the school's social life is the Jazz Band. This organization is not a member of the Combined Musical Clubs, and is formed and supported by the students themselves. For the last four years, extremely good Jazz Bands have been turned out. Some of its important engagements consist of furnishing popular music at the school movies Saturday nights during the Winter and Spring terms, at fraternity dances, prom teas, dances, Musical Club trips, etc. This organization also offers opportunity to the ambitious scholarship musician, as there is considerable pecuniary profit to be gained. The "P. A. Riveters", last year's Band, enjoyed continued popularity and success.

PROMS

There are two Proms during the school year, one in February and the other in June. The February Prom is the Senior Prom, run by a commit-

tee elected by the class. It is customary either to give a tea-dance in the Peabody House on the afternoon of the Prom, or a breakfast dance on the morning following. In June, a committee of Upper Middlers runs the Junior Prom. This is held Commencement night.

INSTRUMENTAL MUSIC

Students wishing instruction in organ playing or piano playing may confer with Dr. Pfatteicher after chapel services.

Mr. J. A. Handley will be at the Archaeology Building on Monday Thursday and Friday to give instruction in guitar, mandolin, and banjo playing.

ATHLETICS

Undergraduate Treasurer

The office of Undergraduate Treasurer is held by a Senior or a Non-Returning Upper Middler. He is appointed by the Advisory Board. The duties of this officer are to act as secretary of the Advisory Board and the

Athletic Council, and to be general supervisor of all matters pertaining to Varsity athletics.

The Athletic Council

The Athletic Council is made up of the captains and managers of all the branches of athletics in school, the Undergraduate Treasurer, and the Physical Director. Its powers are purely advisory; it has no legislative or executive power.

Manager Competitions

Any student who has been in school at least one year may at the beginning of his Upper Middle year hand in his name to the Undergraduate Treasurer in competition for the managership of a Varsity sport.

These names have to be approved by the Faculty, and, after the approval of the Faculty, names are voted on by the school. The twenty highest men choose in order, according to the number of votes they secured, the particular sport of which they wish to be assistant manager. In this way there are two assistant managers for each

SCHOOL LIMITS,

branch of athletics except soccer, wrestling, fencing, and tennis. After the season of any sport closes, the two assistant managers are voted on by the school for the managership. The one obtaining the highest number of votes becomes manager for the next season.

Special Managerships

As the Varsity sports of soccer, wrestling, and tennis require no assistant managers, the managers of these three sports are elected directly from the student body. Candidates are self-nominated and are called for by the Undergraduate Treasurer. Wrestling, Fencing, and Tennis managers are elected from the senior class at the beginning of each year. The soccer manager is elected during the Spring term of a man's Upper Middle year.

Insignia

In an early issue of the *Phillipian* during the Fall term there will appear a complete table of all insignia awarded by the school.

Gym Test

During the winter term a gym test is required by the Physical Director. There are five events in this gym test: the half-mile run, the 100-yd. swim, the high jump (4 ft. 3 in.), the rope climb (18 ft.), the thigh flexion (12). Each one of the events counts 20% towards the final mark of 100%. Anyone having a grade of less than 70% is barred from further athletics during the winter until this required percentage is reached. It is also required that each man at least score in each event in order to get his 70%.

Numerals

Class numerals are awarded to all members of winning club teams. The winners in the three major sports obtain the regular numerals, while the winners in minor sports receive the numerals with the letters standing for that sport between the 19 and the rest of the numeral. Thus 19 ST 28 is the insignia for a member of the winning swimming squad who belongs to the Class of 1928.

The same major and minor sport numerals are awarded to all members of varsity squads who remain on the squads through the entire season. Track is an exception: to earn numerals it is required to do in a numeral meet certain specified times or distances in a special event.

Winter Instruction

Boxing and wrestling instruction is given throughout the winter term, and club teams are formed. The rate for each is \$15.

Life Saving

Early in the Spring term a course of about two weeks is given, under the direction of a Red Cross instructor, in life saving and resuscitation. The first part of the period is devoted to instruction, while the latter part is filled with tests, the pupils being graded by student instructors. All those who pass these tests are awarded a pin and the felt insignia to be worn on their bathing suits.

Riding

Riding may be taken as a sport throughout the entire year. The rate is \$1.50 an hour, though there are greatly reduced rates for those taking it for two weeks, for a month, or for a term. The riding stables are located on Salem St.

Golf

Last year golf became a recognized sport in school. At the beginning of every Spring term club teams are formed, and later in the season, men are selected to represent a school team to play Exeter. The course is situated in Shawsheen Village. Arrangements are made with the Morrissey Taxi Co. for transportation. All men not on the squad, to play at Shawsheen must take an out-of-town excuse.

Seniors are allowed certain privileges, but they are not given to the new men until the winter term. These are the privileges:

Smoking along the senior fence.

SCHOLARSHIP

Ratings and Examinations

Regular scholarship ratings shall be taken as follows: at the end of each term; in the Fall term, on the fourth Wednesday preceding the Exeter football game; on a date approximately midway between the first rating and the

end of the Fall term; at the middle of the Winter and Spring terms. Examinations for these mid-term ratings occur during the regular class recitation periods. In addition to these, examinations are held during the last week of every term, which are conducted in the same manner as the rating examinations. By special vote of the Faculty the last four days of the Fall and Winter terms are set aside for examinations. All recitations, athletics, and extra-curriculum activities cease during the examination period, the time being given over to study periods and examinations. Morning chapel and study hour restrictions remain in effect during this period.

Reports are mailed to the parents of students having scholarship conditions, or marks of 80% or over, immediately following the mid-term "ratings", and a full scholarship report of each student is also sent at the close of every term.

Honor Roll

Any student having no grade lower than 82% and a grade of at least 92% in half the number of his hours is placed on the First Honor Roll. Any

one with an average of 85% in all his subjects and no grade lower than 72% stands on the Second Honor Roll. Extra time at the end of the holidays is granted to men who are on either of the Honor Rolls.

SCHOLARSHIP RULE

Probation

A 1. A student can be placed on probation for serious deficiencies in scholarship at the discretion of the Faculty. This action is to indicate to the student that he is in danger of being dropped from school at any time by Faculty vote unless an immediate and permanent improvement is made.

2. Probation for deficiencies in scholarship shall be imposed at regular scholarship ratings, and shall not continue for more than two rating-periods. A student failing to secure release from scholarship probation which has continued for two rating-periods shall be dropped from the school.

3. A student who has secured release from scholarship conditions shall not be placed on such probation a second time either during the same school year or at the end of the same

school year, but shall be dropped if his standing is such that it warrants action for probation.

4. A student on probation for deficiencies in scholarship may be released from probation only at regular scholarship ratings.

"No Excuse"

B 1. All students reported at any regular scholarship rating as having conditions in more than eight hours, not including conditions which are starred when reported, shall be placed on the "No-Excuse" list. A student placed on the "No-Excuse" list in accordance with this provision shall be removed from "No-Excuse" discipline at any regular scholarship rating if found to have conditions in no more than eight hours, and he shall be removed from the "No-Excuse" list only at a regular scholarship rating or at the special rating for students on the "No-Excuse" list, taken two weeks after the first rating of the fall term.

2. A student may be placed on the "No-Excuse" list at any time by Faculty vote for deficiencies in scholarship which merit special action. He may

be removed from such "No-Excuse" discipline by Faculty vote, but only at a regular scholarship rating.

3. All conditions due to absences or to late entrance to courses shall be starred when reported, but no conditions shall be starred because of late entrance to a course for any student who has entered the course two weeks or more before any regular scholarship rating. Any starred condition or bracketed passing grade may be reported by an instructor at any time as having become a real condition, to be recorded as such. The student concerned shall then be placed on the "No-Excuse" list if he is found to have conditions in more than eight hours, this number of conditions being determined by his record at the last preceding scholarship rating, including as a condition the grade substituted for the one first reported as starred or bracketed.

No change in schedule from one course to another or from one division to another shall be made within two weeks preceding any regular scholarship rating.

4. No conditions, except those due to absence or to late entrance to courses,

shall be starred. No bracketed conditions shall be reported.

5. No bracketed passing grade shall count as a condition.

Dropped Courses

C. 1. A student who has been admitted to a course, 1) by passing the school entrance examination therefor, 2) by college certificate giving credit to the required preceding course in this school, 3) by passing the required preceding course in this school, shall not drop this course except by Faculty vote.

2. A student failing in a course any part of which he has taken before in this school, shall not drop this course except by Faculty vote.

3. A student shall not drop any course after the first week of the winter term, except by Faculty vote.

The Cum Laude Society

Corresponding to the Phi Beta Kappa Society in colleges is the preparatory school organization known as the Cum Laude Society. Its aim is to bestow recognition of high scholarship throughout the secondary schools of the coun-

try. The society was founded at the Tome School in 1904, and has gradually been enlarged until now many of the large prep schools have their own chapters.

The requirements for election are, in general, honor grades, these grades being determined by each individual school. In Andover a student may be elected after satisfying one of two sets of conditions. A student who at the end of the Spring term of his Senior year has a general average of 85% covering the year's work, who has an average of C in each individual subject, and who has had no rating mark lower than a D is elected to the Society. Also at the end of the Fall term of a student's Senior year he is elected to this Society if he has maintained the above standard through his entire Upper Middle year and the Fall term of his Senior year. Formal initiation takes place at the Commencement Exercises.

Prizes

As an incentive to hard and persistent scholastic work many rewards are offered by the Academy. Three different types of reward which are offered

are: (1) extra days at the end of vacation for being on the Honor Roll; (2) prizes given out at the end of the year for proficiency in individual subjects; (3) prizes, trophies, and scholarships presented at the end of the year on a variety of bases for such things as improvement, versatility, attendance, and character.

It is advisable to look up at once a detailed description of the awards as contained in the Academy Catalogue, and to keep them constantly in mind.

Special attention is called to the Hopkins Prize, the Sullivan Scholarship, the Fuller and Otis Prizes, and the Yale Cup.

ABSENCES, EXCUSES, ETC.

1. Each student should keep an accurate record of all his absences, including day and evening study-hour absences.

2. Permission to leave the bounds established by the school must be obtained from the Principal or his excusing officer. Students must report at the school office immediately upon their return to Andover. By failing to report promptly at the school, a stu-

dent may forfeit the privilege of such permissions in the future. The misuse of this excuse calls for special discipline. A student absent from bounds without permission forfeits his connection with the school.

The school bounds are indicated on the map, between pages 22 and 23.

3. Every absence of a student from recitation, daily chapel, Sunday service, or from his room during evening study hours, is to be accounted for; and excuses must be secured in advance. In case of illness, notice must be sent at once to the Medical Adviser, who investigates daily all cases of illness, and grants excuses where the conditions warrant them.

In case a student needs to go below Morton Street during study hours, he should secure permission in advance from his division officer.

Special importance is attached to meeting all appointments immediately preceding and following vacation and recess periods. A failure to meet such appointments must be regarded as a serious offense.

No appointments may be cut immediately preceding or succeeding an out-of-town excuse.

4. Recitations missed, whether excused or not, are to be made up to the satisfaction of the instructors. A failure to meet the requirements of the instructor in making up such exercises may prevent the excusing of the absence.

5. Students are to consult their class officers in reference to all changes in their studies. Students rooming in buildings in charge of resident teachers should secure all day and evening study-hour excuses in advance from the teacher in charge. All others should obtain their excuses in advance from their division officers. Excuses should be obtained and all school business with the teachers transacted, if possible, during the day.

6. Absence marks are incurred for all unexcused absences from required school appointments, i.e., church, chapel, gymnasium, recitation, and school study-hours.

One absence mark is charged for failure to meet the above appointments with the exception of evening study-hours.

A student absent from his house without excuse at any time from 8 p.m. to 8.30 p.m. is charged one absence mark, and at any time from 8.30 p.m. to 10 p.m., two absence marks. In case of students absent from their houses after inspection has been taken the penalty is doubled.

Any student absent from his house without excuse at any time after 10 p.m. renders himself liable to dismissal.

For those on the "No-Excuse" list the penalty for unexcused absences from study hours is doubled.

7. Demerit marks are given (a) for failure to report in advance inability to prepare the assigned lesson, the student running his chance of being called upon to recite; (b) for inattention or disorder which necessitates his withdrawal from classroom; (c) for reports of house disorder at the discretion of the Faculty; (d) for special offenses designated by Faculty vote; (e) for failure to keep room in proper order.

8. The privilege of out-of-bounds and study-hour excuses, including society excuses, may be withdrawn by Faculty vote, where a student's scholarship is low or it is felt that such ex-

cuses are seriously interfering with the regular work.

9. Smoking is forbidden in public places, on the school grounds (except, in the case of Seniors, on the terrace in front of Bartlet and Phillips Halls), in the school buildings (except in Peabody House), in boarding houses and private houses, in stores, and in public buildings in Andover.

The penalty for violation of the smoking rule will be probation for twelve weeks, but a student on probation who violates this rule will be dismissed from the school. A second offense leads to dismissal.

10. Warnings are sent, whenever possible, to parents and guardians of students who have on record five marks in either list, and a record of eight marks occasions suspension or dismissal from school. At the end of a term three marks are canceled from each student's absence list.

HOUSE REGULATIONS

1. The school study-hours extend from morning chapel to 1.00 p.m.; and from 4 to 6 p.m., except on Wednesdays and Saturdays, when day study-

hours end at 12 m., and from 8 o'clock on every evening.

Students at Williams Hall report for study-hour at 7.30 p.m., when the House Master so requests.

2. During study-hours, when not meeting class-room appointments, students are to occupy their own rooms, engaged in preparation of school exercises. Boys may pass from room to room within their houses while thus engaged, in so far as such visits contribute to school work, and are conducted in an orderly manner.

The playing of musical instruments in dormitories and school houses during study hours is not permitted. At the discretion of the house officer, Rule 2 may be waived on Saturday evenings and on the evening before any school holiday.

3. At ten o'clock each student is to be in his own room and to maintain such quiet as befits the usual retiring hour of the community.

4. At the close of celebrations, after reporting to the school officials, students should report promptly to their house-officers and those in charge of the private houses.

5. The boarding houses are under license from the Trustees of the Academy, and the proprietors are expected to assist the students rooming with them to observe the house regulations. A daily report is sent to the Faculty, noting absence from room during evening study hours, and touching the points mentioned in these regulations. These reports are based upon the personal knowledge of the landladies in charge of the houses.

6. Table-board transfers are allowed only at the close of each term. Transfer cards, properly signed, must be deposited at the Registrar's office before the close of the term.

Sections 2 and 9 under Absences, Excuses, etc., and Sections 3, 5, and 6 under House Regulations, will continue in force for all students remaining in Andover at times when the regular school exercises are suspended, and daily reports are required as at other times.

Out of-Town Excuses

These excuses are given, with few exceptions, on half-holidays only, and must be secured during the regular

morning office hours. Report as directed *in person* immediately after return. Students are expected to limit their requests for out-of-town excuses to one a month.

ELIGIBILITY RULE

The eligibility rule as stated below shall apply to all students representing the school in any of the following organizations, each of which shall, for the purpose of this rule, be known as a major organization: all associations comprising the Athletic Association; the Editorial Board of *The Vagabond*, of *The Phillipian*, and of the *Pot-Pourri*; the Dramatic Club, the Banjo Club, the Mandolin Club; any other musical organization when appearing in connection with any club to which the eligibility rule applies.

1. No student placed on scholarship probation during any term shall represent the school in any major organization for the balance of that term.

2. No student placed on scholarship probation or continued on scholarship probation at the end of any term shall represent the school in any major organization during the term following.

3. A student placed on the "No-Excuse" list shall be debarred from representing the school in any major organization until removed from "No-Excuse" discipline, except that for a period of two weeks after the first rating of the fall term a student on the "No-Excuse" list may represent the school in all school activities. At the expiration of this period of two weeks, the grades of each student on the "No-Excuse" list shall be reported at the Registrar's office, and he shall be released from "No-Excuse" discipline, if found to have conditions in no more than eight hours. If not so released he becomes ineligible to represent the school in any major organization until removed from "No-Excuse" discipline.

4. No student placed on probation for violation of the smoking rule shall be eligible to represent the school in any major organization during twelve weeks of that probation period.

5. Students may be declared ineligible to represent the school for other causes by special Faculty vote.

6. A student dropping from any regular Class IV subject into a special division of lower grade shall be inelig-

ble to represent the school in any major organization.

7. Upon the adoption of this rule, all rules previously passed in regard to eligibility are rescinded.

ORGANIZATIONS

The Open Door Committee

The Open Door Committee was re-organized in 1923. It consists of five members of the Senior class who are appointed by the committee of the previous year with the advice of the senior council. In the spring term the two members of the Upper Middle class are chosen. These men carry over as the nucleus for the committee for the next year.

The work of this committee, although not very much in evidence, is of the greatest importance in the school life of Andover. It serves as a committee of hospitality. The committee corresponds with the visiting athletic teams and arranges for their meeting in Andover, transportation to the gymnasium, and such entertainment as is necessary. Mr. Lawrence V. Roth is the Faculty member of the committee.

The Society of Inquiry

The Society of Inquiry is the school's student religious organization. It has constantly striven to build up and maintain the religious spirit and Christian influence in the school. In the past its functions were purely religious, but with the advance of years, it has so broadened its scope that it now includes many other activities in its curriculum.

In the fall, it holds a drive for funds, with which it pays for some of the winter movies, the expense of visiting speakers and of receptions, and the maintenance of various charities.

Through the Winter term of the year, it sponsors the reception of new men in the Gymnasium; and it arranges talks by various prominent men and by delegations from the different colleges.

Philo

The Philomathean Society is the debating organization of the school. During the Winter term a series of debates is held, open to all members of the school. Since each team is composed of two men, and debates once, an

opportunity is given for many men to compete in this way. In the Spring term a prize debate is held for the thirty-dollar Robinson Prize. This debate is always of a very high standard and arouses much interest throughout the school. Through the medium of Philo much valuable training in speaking and debating is gained.

The Athletic Council

The Athletic Council is made up of the captains and managers of all the branches of athletics in school, the Undergraduate Treasurer, and the Physical Director. Its powers are purely advisory; it has no legislative or executive power.

Senior Council

The Senior Council is a body made up of five Seniors selected according to the constitution of this body. Dr. Stearns is its supervisor. It is a body in which questions of common interest to the Faculty and the student body may be freely discussed.

Officers to be elected.

The Advisory Board

The Advisory Board is composed of the captains and managers of major sports, the Undergraduate Treasurer, and the Physical Director. The Advisory Board has the power of appointing cheer leaders and the police force. It also has the direction of all major sports.

THE PUBLICATIONS

There are four publications in the school. Competitions are open in some cases to all members of the school, in others to members of designated classes. A very few are limited to old men. The experience gained in these competitions, whether the candidate is successful or not, is worth the effort, and the prestige of executive positions on the boards is well worth trying for. Elections in all cases depend somewhat on merit, and, in most cases, solely on merit. A few elections are held by the school.

All elections to the publication boards and entrance in most of the competitions require the consent of the Faculty. A

satisfactory grade must be maintained for a student to take part in publication activities.

The Phillipian

The Phillipian, established in 1878, is the official newspaper of the Academy and is published every Wednesday and Saturday of the school year.

Its personnel is divided into two boards — the editorial board, which looks after the collection and presentation of news, and the business board, which has charge of subscriptions, circulation, and advertisements. Positions on either board are obtained by competition. The nature of the work in competing for the editorial department is that of newspaper reporter (collecting and writing news articles) together with the performance of certain necessary "jobs." The work in the business competition consists largely in obtaining advertisements for *The Phillipian*, both by writing and by personal solicitation. The editorial competitions last for one term each, any number of men up to six being eligible for election. The

business competitions, of which there are two during the course of the year, usually result in the election of four men.

The first chance for a new man to compete for a position on the board is in the business competition, for which candidates will be called shortly after the opening of the Fall term; the competition will last up to the second Wednesday in February. The first news competition which new men are allowed to enter is in the Winter term.

The opportunity to compete for either board of *The Phillipian* is of great advantage to both new and old men. The business competition offers excellent experience in dealing with business men, while in "heeling" the news board a man not only obtains excellent opportunities for writing clear and concise English, but he also learns a great deal about every phase of Andover life through the contact offered. Men who are not especially proficient in athletics, as well as lower classmen, find in it a satisfying undergraduate activity. Editor-in-Chief (1927-28), James Barr Ames '28; Business Manager, A. Ogden, '28.

The Pot-Pourri

The *Pot-Pourri* is the academy annual, published towards the end of each Spring term by members of the graduating class. It contains pictures of all Seniors and Non-Returning Middlers and group pictures of all school organizations. There are also summaries of the year's activity in each line of endeavor. An interesting feature is the statistics compiled from votes taken by the Senior class concerning its estimation of members of the class, members of the Faculty, and various other officers.

The Vagabond

The Vagabond, the literary magazine of the school, was founded in 1925 after the discontinuance of *The Mirror*. Several business competitions are held during the year. Five issues are printed at a subscription price of \$2.25. Editor-in-Chief, J. A. Lardner, '29; Business Manager, E. W. Bates, '28.

The Blue Book

The Blue Book was founded in the winter of 1921.

Its business board is perpetuated by a competition open only to Juniors and Lower Middlers. The winner of the competition is elected Business Manager for the following year.

The editorial board is open by competition only to Upper Middlers.

CLUBS

The Dramatic Club

Because of the full schedule of activities during the fall, the Dramatic Club will not begin its work until the middle of the Winter term. It will be under the supervision of Mr. Alan Heely. There will be, besides the actors, departments for advertising, stage managing, costuming, and business.

This classification will induce a larger number of men to try out for dramatics, and will give an opportunity to those who do not care for acting. Mr. Heely and his officers will hold the tryouts, which will be open to all mem-

bers of the school. The old men of the club will have the first opportunity to try out for certain parts. This, however, will be at Mr. Heely's discretion in that he will give the choice roles to new candidates if they show greater talent.

So far it has been usually advisable to produce one-act plays. The advantages of this system are many: a larger number of men have a chance and a more suitable variety can be given. The club has found it necessary to have managers to do the outside work, and these are picked as a result of examinations. Each year at Commencement time an evening's entertainment is given by the Dramatic Club.

The Literary Club

In January, 1926, a small group of undergraduates, feeling the need of an organization to stimulate artistic and literary appreciation and creative ability in the school, formed a Literary Club. The Faculty passed the constitution submitted, and thru the kindness of Mr. Sawyer and the Trustees, quarters were provided and renovated in the former music building. Fraternity privileges were then granted.

The Radio Club

The Radio Club, 1SW, is an organization devoted entirely to amateur experimental transmission, and the bringing together of all licensed operators in school. The activities of the club are directed solely towards research and experiments on the short waves. Regular communication is maintained with all European countries, and frequently contact is made with Australia. Recently signals have been exchanged with Arctic expeditions, both at the North and South Poles. Those who wish to join, whether licensed or not, should see the president, John M. Murray, '29.

The Peabody Club

The Peabody House Club is composed of all those who pay the one dollar fee. This entitles them to the Privileges of the lower floor of the Peabody House, with its newspapers, periodicals, card tables, and smoking privilege. The club was also voted by the Faculty last year two late nights a month, that is,—the ability to stay open till 11 o'clock two Saturdays each

month throughout the year. Student officers are elected at the beginning of the year. The club-room, in charge of Mr. Coleman, is open the following hours: 1.30-4, 6.15-8, (Mon. Tue. Thur. Fri.); 1.30-5, 6.30-8, (Wed. Sat.); and 8.30-1, 2.30-5, 6.30-8, (Sun.).

The Chess Club

Anyone in the school who is interested in chess may join the Chess Club. In the winter term meetings are held once a week during which chess is played and discussed. During the course of the term a tournament is carried on to determine the rankings of the players and to select a team to play Exeter. Any member who is ranked lower than another member may challenge that member at any meeting of the club. Mr. Barss is the Faculty adviser, and the President, E. N. Poore, '28.

The Library

The library consists at present of approximately nineteen thousand volumes. The reference books are numerous, and besides the daily papers, standard periodicals are regularly re-

ceived. The library purchases during the year more than eight hundred volumes; in this, it has been greatly helped by various funds established in the past. With the exception of Saturday afternoon, the library is open at all hours. A list of funds follows:

Douglas G. Crawford Fund \$2,312.00

Established in 1925 by friends of Douglas G. Crawford, Class of 1900.

R. C. Winthrop Fund \$5,000.00

Established in 1905 from a bequest of Robert C. Winthrop, Class of 1850, for the promotion of classical studies.

Susan C. Dove Fund \$5,000.00

Established in 1915 from a bequest of Mrs. Susan C. Dove of Andover, for the purchase of books for the History and English departments.

David Martin Poynter Fund \$300.00

Established in 1918 by a gift of Mr. and Mrs. Horace M. Poynter.

ACADEMY CHURCH

The Church of Christ in Phillips Academy is undenominational, having for its membership the Faculty families and the students. Those who are church members at home may become temporary members, while others are

merely asked to make a sincere "declaration of Christian purpose." There are ten deacons: four from the Faculty, four Seniors, and two Upper Middlers. Five communion services are held during the year, at which times new members may be received. Mr. J. L. Phillips is the Clerk of the Church.

SCHOOL SONGS AND CHEERS

Old P. A.

We're here with the team once again,
 boys,
Five hundred strong —
To cheer them on.
We'll hand out old Andover's name,
 boys,
Across the field
And never yield;
There's no hope to-day for poor Exeter,
For they are true,
Those boys in blue;
Andover'll land!
She's got the sand!
Give a cheer for old P. A.
 (Rah-Rah-Rah)

Fighting for old P. A., boys,
Fighting with heart and soul,
Tearing our way on to victory,
Nearing the crimson goal.
See how poor Exeter trembles!
Andover wins to-day.
Stand by the blue;
We're always true,
To you and old P. A.

Andover Rah

It's the same old Andover,
We are here to win today!
See poor Ex'ter fly to cover,
When the Blue gets in the fray.
First down, Oh, this is easy,
That goal is just before;
Smash them through, and make a touch-
down,
For this is where we score.

Oh, the boys from New Hampshire,
Will learn a thing or two,
When they meet with Captain Gould
And the team that wears the Blue;
Now the Ex'ter stands are silent,
And the crimson banners fall,
While the blue sweeps on to vict'ry,
Let us cheer them one and all.

All hail to old Andover,
Victory crowned on many a field;
Our crimson foemen tremble,
And before the Blue must yield;
On your feet, now all together,
Give a cheer for Andover
(Rah! Rah! Rah!)
Lift your voices on high,
Let your cheers rend the sky,
For old Andover wins today.

Andover Marching Song

(Air: Caisson Song)

White and Blue,
Ever true,
Once again we fight for you
As old Andover marches along!
Here today,
Hearts are gay,
Ever ready for the fray.
To the conflict, we march with a song!

For it's fight, Fight! FIGHT!
The dauntless Blue and White,
Lift up your voices loud and strong!
For it's fight, Fight! FIGHT!
Cheer on the Blue and White,
As old Andover marches along!
Rah! Rah!
As old Andover marches along!

Royal Blue

Andover's legions her ancient foe defy,
Over the hilltop a war song is ringing.
Shoulder to shoulder we back the fighting crew,
Hail to the Royal Blue!

(Refrain)

Let's go! The team is on the way,
Over the field there's a blue wave rolling.
That broken line of Red and Gray
Once more we're backward bowling.
Send our battle cry afar
As the Andover charge goes through,
And cheer for the glorious standard
Victorious Royal Blue.

PH-IL-LI-PS,
Andover, Andover,
Onward to the goal.

(Repeat refrain) Let's go, etc.
